OUR COMPANY HISTORY

Modern Shield" was founded in 2022 by a group of industry experts with a passion for cleanliness and sustainability. Based on the belief that a clean environment contributes to a better quality of life, the company has quickly established itself as a leader in the cleaning service industry. Our founders shared a common vision: to provide top-notch cleaning services while reducing our ecological footprint.

From our humble beginnings, offering residential cleaning services in a small city, we rapidly expanded to include commercial and industrial clients. Within our first year, our commitment to excellence and our focus on environmentally friendly practices set us apart from the competition. By 2024, we had established a presence in multiple cities, offering a range of services, from deep cleaning and sanitization to carpet cleaning, after party cleaning and more.

Future Goals for the Next 10 Years:

As we look ahead to the next decade, "Modern Shield" has ambitious plans to continue its growth while remaining true to our core values of quality and sustainability. Our future goals are centered on three key areas:

- **Expansion**
- **Innovation**
- **Sustainability.**

OUR COMPANY VALUES

Sustainability, Reliability, and Community:

At Modern Home Shield UK LTD., our core value is to maintain the highest standards of cleanliness while preserving the environment. We are committed to providing reliable cleaning services that prioritize sustainability. Our approach is built on using eco-friendly products and practices to minimize our ecological footprint.

Reliability is at the heart of everything we do. We strive to deliver consistent, top-quality service, ensuring that every client's home or business space is spotless and safe. We believe in building lasting relationships with our clients through trust, transparency, and dependability.

Additionally, we are dedicated to supporting the communities in which we operate. Our commitment to sustainability extends to partnering with local organizations and contributing to community well-being through environmentally conscious practices.

At Modern Home Shield UK LTD., we don't just clean spaces; we create healthier environments for everyone.
